

# STEP ONE Expedition

Allow the Family, Career and Community Leaders of America to take you **up, up, and away** on an FCCLA *Expedition*! FCCLA will reveal a new world packed with **super-powered programs** that will empower you to **unleash** more about your inner superhero and recognize those around you.

FCCLA is here to help superheroes, like you, go beyond their limits. Venturing on the FCCLA Expedition will broaden your **SUPER-CREATIVE** thinking, allow you to encounter leadership, build strong life skills and create *super* friendships. The *mission* of Step One will *challenge* you to search for the answers to your **TOP SECRET** questions about FCCLA and discover new worlds.

Find the **SECRETIVE** answers in the FCCLA Chapter Handbook, Information Sheet, national program CDs and the FCCLA Web site ([www.fcclainc.org](http://www.fcclainc.org)). Once you reach the **end**, compare your answers with your adviser's and see how you did on the FCCLA Expedition!
